**[PROPOSED] ORDER GRANTING PLAINTIFFS' UNOPPOSED MOTION FOR FINAL  
APPROVAL OF CLASS ACTION SETTLEMENT AND DISMISSING CASE  
WITH PREJUDICE**

This case comes before the Court on Plaintiffs' Motion for Final Approval of the Class Action Settlement Agreement and Release (Motion Seq. 002).

Having considered the Motion for Final Approval and the supporting documents and the complete record in this matter, for the reasons set forth therein and for good cause shown, **IT IS**

**HEREBY ORDERED, ADJUDGED and DECREED, THAT:**

1. This Order incorporates by reference the definitions in the Settlement Agreement, and all capitalized terms used in this Order shall have the same meanings as set forth in the Settlement Agreement, unless otherwise defined herein.

2. The Court certifies for settlement purposes the Settlement Class pursuant to §§ 901 and 902 of the New York Civil Practice Law and Rules.

3. The Court finds that the notice methodology implemented in connection with the Settlement Agreement constituted the best notice practicable under the circumstances to all persons within the definition of the Settlement Class. The notice was reasonably calculated, under all the circumstances, to apprise Settlement Class Members of the pendency of this action, the issues before the Court, the terms of the proposed settlement, the effects of staying in the Settlement Class and the options available to Settlement Class Members, including their right to object to the proposed settlement or to exclude themselves from the Settlement Class and their right to appear at the Settlement Hearing or otherwise be heard. Accordingly, the Court finds that the notice program in this action met or exceeded the requirements of the CPLR and due process under the state and federal constitutions, and that the Court has personal jurisdiction over all members of the Settlement Class.

4. The Court approves the Settlement Agreement and all terms set forth in the Settlement Agreement and finds that the Settlement Agreement meets the requirements for approval under applicable law. Therefore, the Court grants Final Approval of the Settlement reached between the parties as set forth in their Settlement Agreement; approves the payment of the Approved Claim allocated to each Settlement Class Member in accordance with the Settlement Agreement; approves the requested Incentive Awards to each Class Representative; and awards Class Counsel attorneys' fees, costs, and expenses of one-third of the Gross Settlement Amount.

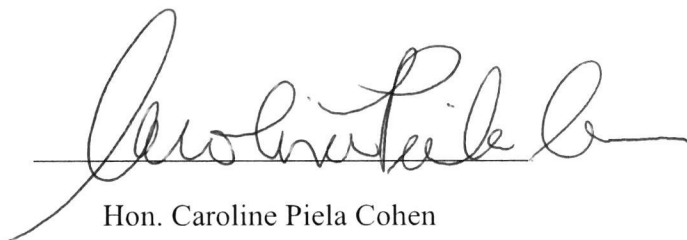

5. The Settlement Agreement is binding on the Class Representatives and all Settlement Class Members, except for those Settlement Class Members who submitted a timely request for exclusion.<sup>1</sup> By operation of the entry of this Order, the Class Representatives and each Settlement Class Member have released the claims described in Section 3 of the Settlement Agreement.

6. This case is dismissed with prejudice and without costs or fees to any party, other than those set forth in the Settlement Agreement. The Class Representatives and all Settlement Class Members, other than those Settlement Class Members who submitted a timely request for exclusion, are barred and permanently enjoined from participating in any other individual or class lawsuit against the Released Parties concerning the claims released under the Settlement Agreement.

7. Without affecting the finality of this Order, the Court will retain jurisdiction over the parties to the Settlement Agreement to administer, supervise, and enforce the Settlement Agreement in accordance with its terms.

8. This constitutes the final decision and order of the Court.
